This topographic map of Malisole, France, features the Aéroport de Morestel (Morestel Airport) as a prominent grey rectangular area. To the northeast, the Étang de Peyssé is shown as a blue water body. The map is crisscrossed by several roads, including the Route de Lyon (N101) running diagonally, the Route de Serrières, and the Route de la Corniche. A yellow circle marks a specific location on the Route de Lyon. The map also shows the Ferme de Bachelin, the village of Bramafan, and the area of le Vouet. A compass rose is located in the top left corner, and a scale bar indicating 100 meters is in the bottom left corner. The map is sourced from IGN/Geoportail.
